

JWL-1440VSK 14" X 40" WOOD LATHE WITH LEGS

719400K

Do you want a lathe that's as versatile as your turning? The 1440 lathe from JET can be tailored to accomplish a wide range of projects. With a sliding and pivoting headstock, variable speed, and many other great features this lathe meets the needs of woodturners. Experience the 1440 lathe and see how Versatility Takes Shape.

FEATURES

- Sliding headstock pivots 360 degrees with 7 positive locking positions at 0, 30, 60, 90, 120, 180, and 270 degrees for maximum variability and optimal user comfort
- Variable speed from 400-3000 RPM
- Positive locking tool rest with redesigned clamping
- Optional extension bed mounts in 3 separate positions for larger outboard turning or 60" between centers
- Acme thread in tailstock
- Improved tailstock quill locking with anti-rotation key
- Easy-to-read RPM display
- CSA Certified
